SECTION 5. PURPOSE.

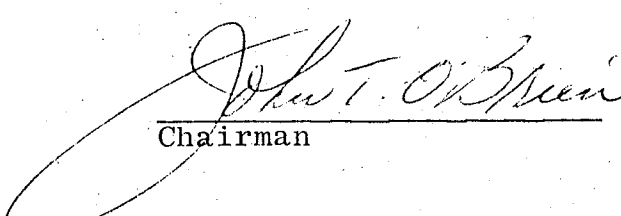

In accordance with and in addition to communication from the Superior Court Judges to the County Executive, it is the intent of the Council that the funds appropriated herein be used to build as many multipurpose special hearing rooms as possible on the 10th floor of the courthouse. It is further intended that there be two small courtrooms with one jury room between them that can be entered from either courtroom and the

1 hall. That jury room should be large enough to hold hearings  
 2 when it is not being used by a jury. This concept should result  
 3 in a new approach to the use of space for judicial administration  
 4 and accommodate a greater number of judges without further ex-  
 5 pansion of the county's limited facilities. Movable walls and  
 6 portable jury boxes might be used to great advantage in the  
 7 area under consideration. The final floor plans shall be sub-  
 8 mitted to the Council for review and comment before they are  
 9 approved.
